

Madaifu Apples are back in Shanghai !

The Children of Madaifu association was founded in 1999 to help orphans in the deprived Chinese provinces of Gansu, Shaanxi and Hubei. For more: www.madaifu.org

The association holds an annual fund-raising event: the sale of apples coming from orchards in Gansu and Shaanxi. The proceeds will be used to help children to stay in their villages while attending school.

Prices:

- 1 kg (4 apples) = 30 RMB
- 1 box (10 kg) = 250 RMB

The purchase of one box of apples enables Madaifu to support one child for two months!

Families: don't hesitate to buy several boxes. Apples keep for a long time and are delicious both raw and cooked.

Companies: buy boxes in advance to resell or give as gifts to your employees.

Madaifu Children need your support!
